Ever Cottage Little Garden

Little seeds. Big discoveries.

Plant today, a brighter tomorrow.

Small Seeds Big Adventures

Welcome to the Ever Cottage Little Garden!
This kit helps you explore the amazing world of plants, flowers, pollinators and nature. You are part of something special – a kinder, greener world starts with you!

Grow Kindness Every Day

Your Garden Adventure

Three simple steps to amazing things!

1 Plant

Get your hands in the soil!

- Choose a sunny spot or a pot.
- Scatter or plant your seeds.
- Give them a gentle drink of water.
- Be patient – nature takes time.

2 Watch

Look for changes every day!

- Tiny shoots will appear.
- Leaves will grow.
- Flowers will form.
- You might see bees, butterflies and birds visiting!

3 Discover

Explore the magic of nature!

- What colours can you see?
- What creatures visit your plants?
- How do flowers turn into seeds?
- You are a gardener, a nature explorer and a friend to our planet!

My Little Garden Promise

I will look after my plants, be kind to nature, notice the little things and help our beautiful world grow.

My Name: _____

Date I Planted: _____

Happy Children Greener Tomorrows

My Garden Discovery

Look ♥ Observe ♥ Learn ♥ Care ♥

Every little plant makes a big difference! ♥

My Plants

Tick or write the plants in your garden:

☐ Wisteria

☐ Kowhai Seeds

☐ Violets

☐ Mint

☐ Rosemary

Draw what you see

Draw your plant here. You can draw the flowers, leaves, seeds or any visitors you see!

My Garden Notes

Write or draw what you have noticed. What changes have happened?

Garden Detective

Can you find these in your garden? Tick when you see them.

☐ A bee

☐ A butterfly

☐ A bird

☐ A ladybird

☐ A new leaf

What did you learn?

Write or draw one new thing you discovered today about plants, flowers or nature.

Kind People ♥ Healthy Plants ♥ Happier Planet.
